

## QUICK FACTS\*

### SAN JOAQUIN VALLEY AQMD HD TRUCK PROGRAM

#### Comments

- San Joaquin Valley AQMD is made up of eight counties in California's central valley: San Joaquin, Stanislaus, Merced, Madera, Fresno, Kings, Tulare and the San Joaquin Valley Air Basin portion of Kern
- Applicant must not purchase, make down payments, or take possession of replacement truck prior to issuance of a contract. Doing so will render a project ineligible

#### Program Open/Close Date

- Program currently open. No stated close date; expected to run throughout 2023

#### Eligible Project Types

- On-road diesel vehicle replacement projects

#### Maximum Grant Amount

- Maximum grant of \$410,000 for Zero-Emission New Truck Replacement Projects

#### Funding

- \$12.9 million granted by state for 2023

#### Co-Funding

- Cannot be stacked with HVIP, or other state-funded sources

#### Scrappage

- Yes, existing vehicle must be destroyed

\*Additional requirements may apply. For complete incentive requirements, please visit the link above.

#### Leasing

- Leased vehicles do not qualify for funding

#### Evaluation

- First-come, first served basis
- Pre-Inspection upon receipt of complete application
- Post-Inspection upon receipt of a claim for payment

#### Operation Requirements

- New vehicle must be registered within the District boundaries during the life of the project
- New truck must operate at least 75% of the time in California and 50% within District
- Remain the owner of the replacement truck for the life of the project boundaries
- Demonstrate that replacement truck is domiciled within the boundaries of the District
- Submit annual reports to the district

#### Existing Vehicle Requirements

- Existing diesel truck must have a Model Year Engine 2010-2016
- Grant amounts will be based on the lowest total usage of 2 12-month periods within California from the previous 30 months
- Existing vehicle must be owned by the applicant for the past 24 months
- Currently registered in California for the past 24 months prior to application submission date
- Operate at least 50% of the time within the District boundaries, and at least 75% of the time within California for the past 24 months prior to the application submission date
