

QUICK FACTS* SOUTH DAKOTA VW TRUCK REBATE PROGRAM

Eligibility

- Program provides rebates to assist South Dakota state and local government agencies in purchasing new local freight trucks. Private entities do not qualify for funding
- Ordering new truck may not occur prior to parties signing agreement

Program Open/Close Date

- Round 9 of projects opens on June 1, 2023 and will close on June 23, 2023

Eligible Project Types

- Diesel truck replacement projects

Maximum Grant Amount

- Total rebate per truck will be 55% of the purchase price of an all-electric truck
- Rebate made on a reimbursement basis upon submittal of final invoice and additional supporting documentation

Funding

- During Round 8 and Round 9 there will be approximately \$1,000,000 of Volkswagen trust funds available for replacing trucks. Approximately half will be available for Round 8 and any funds remaining will carry over to Round 9

Scrappage

- Yes, scrappage of existing diesel truck EMY 1992-2009 must be take place within 90 days of replacement
- If scrapped or salvaged vehicles/parts are sold, the income may be used to meet the cost-sharing requirement of the award

Evaluation

- Ranking will be based on a combination of the age of the diesel engine being replaced, cost of the replacement vehicle, and nitrogen oxide reductions
- Round 9 selected projects will be announced on July 12, 2023

Operation Requirements

- Applicant must maintain ownership of the replacement truck for 3 years after receipt of the rebate
