

QUICK FACTS* SOUTH COAST AQMD VOUCHER INCENTIVE PROGRAM

Program Open/Close Date

- Program began accepting applications on April 14, 2023 until funds have been exhausted

Eligible Project Types

- Diesel heavy-duty vehicle replacement projects limited to owners/operators with fleets of 10 or fewer vehicles
 - To view South Coast AQMD's map and jurisdiction boundaries, please review the [Map of Jurisdiction](#)

Maximum Grant Amount

- Maximum of \$410,000 available for zero-emission replacement trucks

Scrappage

- Requires scrapping operational Engine Model Year 2017 vehicle or older with zero-emissions compliant models

Leasing

- Vehicle leasing is not allowed. If financing is necessary, vehicle purchase must be financed with conventional loan

Evaluation

- First-come, first-served basis (no application deadline; open until funds are exhausted)

[South Coast AQMD Voucher Incentive Program](#)

Existing Vehicle Requirements

- Owned by applicant for previous 24 months
- Free and clear title with owner/applicant listed on title
- Current and past 24 months of California DMV registration
- Must have operated at least 75% of the time in California during each 12-month period for the previous 24 months

Comments

- No contract required between applicant and South Coast AQMD
- Rapid response time: applicant is notified within 20 business days of submitting application for funding
- Exclusively for small fleets (10 or fewer trucks)
- Owner/applicant must reside within the AQMD's air basin and operate the existing vehicle within the eligible operational areas specified by the air district

*Additional requirements may apply.
